

2008

Christmas

Party

On Wednesday 17 December 2008 the Coffee for Kids Foundation hosted a Christmas Party for the RFS Headquarters Staff.

The Foundation approached a number of local businesses for support towards the function and were delighted with the response.

Woolworths, Sara-Lee Cakes, Coca Cola and Moree Meats contributed to the success of the day by discounting or providing gift cards for purchases and all agreed that the luncheon was a happy time for all those present.

We are also happy to report that over \$400 was raised to go into the funds to be distributed to various charities by the Foundation in the coming year.

CAK and the Childrens' Hospital thanks you all and wishes you a great Xmas

During the official part of the day, Ron Anderson presented the toys donated by RFS staff to Julie Munley from The Children's Hospital at Westmead. Julie thanked everyone and explained that without assistance from people such as those at the RFS, Christmas for many families would not be the happy and fun time that we all hope for.

Coffee for Kids and the RFS continue to brighten the lives of many of the patients and their families of CHW.

Mark Crossweller also presented a cheque for over \$34,000 to The Children's Hospital at Westmead, by any account a wonderful effort by the generous donations of the Staff and Volunteers of the RFS to The Coffee for Kids Foundation.

Well done to everyone that enables the Foundation to continue to provide not only CHW but various other Children's Charities with much needed funds to continue their great work.
